

FIELDLED TRAINING PUBLICATIONS

The publications listed below are written by AMEDDC&S Training Departments or other proponent agencies with developmental/staffing/publication assistance from ITPB personnel.

Publications that are available in electronic format are linked to the publication site. (Publications, highlighted in red below, are temporarily available from the Secure Support Documents section of this web site until we can get them on the official publication site.)

For publications available at the Individual Training portal (ATIA), follow these instructions:

- * Select LOGIN at upper right (AKO access required).
- * Select the "RDL Services" tab at top or "Library Search" at lower right.
- * Select "Official Departmental Publications", **Type** of publication = "Training Circular" or "Field Manual", and **School** = "Medical".
